

The Tewksbury Township School District now offers all parents and/or guardians access to their child's school related data, such as grades, progress reports, attendance, etc. simply by using the internet. To access the information you will need to open an internet browser and use the following [URL:https://www.fridayparentportal.com/tewksbury](https://www.fridayparentportal.com/tewksbury) , cut and paste or type the address into your browsers address bar and hit enter to access the site. Another way is simply by going to the Tewksburyschools.org website's home page. Go to and click Links> click link for Parents>click Real Time Parent Portal Access for Parents. In order to access this information you will need the following data: Portal code, Portal username, and Portal Password. The computer will then prompt you to enter your own secure Portal Username and Password.
