November, 2018

Dear Tewksbury Families and Staff,

The administrators and I want to keep you informed about school programs and happenings, so as promised, this is the second of our quarterly communications. It seems as though the school year just started, but here it is November, and Thanksgiving is around the corner. Happily, from a district perspective, all is going well.

The fifth grade move from OTS to TES went as expected. We had a few programming concerns that have been resolved and the fifth-graders are enjoying their “senior status” at TES. The OTS students and staff are delighted to have the preschoolers in the building; they bring so much joy to the school. Both schools are humming with activity. This year is turning out to be filled with opportunities for all of our students, as we continue to strive to be the best we can.

In an effort to share more detailed information with you in the most efficient manner, all newsletters are included in this correspondence. As you read this letter, you may click on the link that will reveal additional, useful information. If you save this letter, it may be used as a reference for information that you may need to revisit.

[Business Office Update](#): Information about facilities and projects

As Thanksgiving approaches, we have a tendency to reflect upon what is truly important in our lives and give thanks for all we hold dear. During my time in Tewksbury, I have had many wonderful experiences for which I am grateful. I am so appreciative of the extraordinary devotion of our staff and their unique ability to inspire our students. I am thankful for the support of our parents and the community in creating a special partnership with our school district. I marvel at our students’ curiosity, humor, and ingenuity. Each day I see the children, I am reminded of the very important reasons why I come here every day.

I wish all of you and your families a happy, healthy, and relaxing Thanksgiving holiday.

Very truly yours,

Roseann Humphrey
Interim Superintendent
