

# Cafeteria Point of Sale Debit System

**Our cashless system is a new safety measure to prevent the spread of the **COVID-19** virus.**

## Tewksbury School District

- Your school uses a computerized point of sale system in the cafeteria. Parents can make payments online.
- This system allows for account purchase of meals.
- Parents may pay in advance for purchases.
- All students will be issued a Personal Identification Number (PIN) which corresponds to their food service account and which

should be kept confidential.

- Any prepaid meals on a meal card from the previous year will automatically be put on the student's account.
- Any remaining funds at the end of the school year are available for use in September or may be transferred to a sibling's account.

### Online Payments

- Logon to: <https://www.fridayparentportal.com/tewksbury>
- Enter Portal code, username & password
- This information can be provided by the school district
- The internet convenience fee is a percentage for credit cards and a flat fee for ACH transaction

### Advantages

- A cashless system is a new safety measure to prevent the Covid-19 virus from spreading.
- Students have more time to eat
- Minimizes "lost" lunch money
- Technology minimizes cashier errors
- Parents can access purchasing history
