August 15, 2019

Dear Tewksbury Families,

I hope you are enjoying the summer. Tewksbury's 1 to 1 Chromebook Program is an integral piece of our educational program. As we did last year, we will be offering an early distribution of Chromebooks for the 5th, 6th, 7th, and 8th grade students:

Location: Old Turnpike Middle School (OTS)
Room: All Purpose Room
Dates: Thursday, August 22 and Friday, August 23
Times: 9 a.m. – 12 p.m.

In order for students to participate in the 1 to 1 program and have the flexibility to take home Chromebooks throughout the year, you and your child must review and complete the steps as outlined on the following website: <https://sites.google.com/tewksburyschools.org/1to1/>

It is very important that you complete the steps outlined on the website above. **The required form must be printed, signed, and brought with you to the Chromebook pick-up. In addition, you must bring a \$25 check (preferred) or cash for Chromebook insurance.**

Students completing the 2 steps noted on the website will be issued a Chromebook and will be authorized to take the assigned Chromebook device home immediately.

Students not participating in the 1 to 1 program need to complete the form noted in Step 1 (**required for all district middle school students**), bring it to school on the first day, and will be issued a Chromebook. Their device must be returned at the end of each day.

If you wish to participate in the 1 to 1 program, but are unable to pick up your Chromebook on the dates listed above, bring your form and check on the first day of school and you will receive your device.

Thank you for your efforts to complete the required steps.

If you have any questions, please do not hesitate to contact us at mmitchell@tewksburyschools.org.

Thank you,

Jennifer Shouffler, Ed.D.
