

Tewksbury School District

Presents a shared workshop by:
Old Turnpike School and
Voorhees High School

“Understanding the Mathematics Curriculum Grade 8 Into High School”

In this workshop parents will learn:

- the important mathematical concepts students should understand by the end of Grade 8
- the sequence of mathematics classes through high school
- how to support important math skills in order to prepare for college entrance exams

**A Virtual Presentation for
Parents of Grade 8 Students
Wednesday, January 19, 2022
7:00-8:00pm**
