Tewksbury Township Board of Education Superintendent Search

The Tewksbury Township Board of Education is currently conducting a search for school Superintendent. The BOE has engaged NJ School Boards Association to assist in this important endeavor. Our Interim Superintendent, Dr. Roseann Humphrey will leave the district on June 30, 2019 in compliance with NJ law limiting the tenure of interim administrators to two years.

Critical to the success of the search process is gathering input from community constituents. The BOE intends to engage broadly with the public to collect views about the qualities and experience desired of the next Superintendent and will keep the community informed throughout the search, while respecting the confidentiality of the candidate recruitment process.

Below is a link to an online survey to provide input on attributes most critical for the next Superintendent to possess, as well as perspective on District strengths and challenges. The survey should take no more than 10 minutes. Individual responses are anonymous and all information will be aggregated by our search consultant at NJ School Boards. Your time and candor are appreciated.

Community Focus Group sessions are scheduled for Tuesday, November 13. A morning session will be held at 9:00 a.m. at Tewksbury Elementary School. An evening session will be held at 7:00 p.m. at Old Turnpike Middle School. These sessions, moderated by NJ School Boards, will provide a forum for discussion of desired superintendent attributes, as well as district concerns and direction.

The Board plans to begin interviews in early January 2019 and have an offer in place by the end of February. The expected start date for the new Superintendent is July 1, 2019. Key information regarding the search will be made available on the district website <http://www.tewksburyschools.org>.

The online survey link will be live until Wednesday, November 21
