

Please visit our Artist Showcase at the Tewksbury Library, located at 31 Old Turnpike Road in Oldwick. We have chosen a few pieces to display from each grade (K-8) to celebrate the arts programs in our district and show some of what we do in both the TES and OTS art rooms.

We thank the students who were asked to display their art for letting us share their creativity with the community. There will be an artist reception at the library for these artists and their families on Wednesday, April 3 from 6:30- 8:00pm. The display will be hanging for all to enjoy until the end of April. We celebrate all our students' art achievements year round and always have art displayed in our school hallways for all to admire.

We hope you celebrate their art too!

Sincerely, Janet Wadler (TES Art Teacher)
and Kelly Takayama (OTS Art Teacher)
