

# School Food Service Information

## 2016-2017 School Year

### Tewksbury Elementary School

## The School Day Just Got Healthier!

Your child's school day just got healthier! Maschio's is committed to making a difference in your school. Your child will be satisfied with improved meals that include more locally grown fresh produce and whole grain-rich options. Students will have a choice of an "organic" meal option everyday. An increased variety of beverage options will now be available including whole and 2% milk and spring water. Our hot dog and deli meats are nitrite free and our chicken has no antibiotics. The "Mac's Veggie Patch" will include a variety of fresh vegetables and fruits. Fresh soup prepared daily will be available this Fall.

Good lifelong habits can be learned by making healthy food choices and engaging in proper physical activity now. Maschio's ensures your child has access to healthy and nutritious meals. Encourage them to try new foods and choose the healthy foods offered at lunch. Reinforce healthy eating by offering similar new foods at home.

**First Day of Service:  
September 8, 2016**
