

Artwork Contest for 5th - 8th Graders

On June 6, 2020 the Tewksbury Education Foundation (TEF) will partner with the Beautiful Beast 15k of Hunterdon County to host the 5th Annual 1-mile fun run and King of the Hill 5k (formerly called Tiger Trot).

Each year we encourage 5th-8th graders to submit an original piece of artwork for consideration as the image featured on the front of the race t-shirt. The artwork should incorporate a tiger, running, and the year (2020). The image should be able to be transferred onto a light grey or white t-shirt. Original artwork from 5th-8th grade students only. Artwork must be turned in to Janet Wadler or Kelly Takayama before April 1st. Do not write your name on the artwork but, rather, on a sticky note when you turn it in. The winner will be announced in March and will receive a free entry for the race.
