

Tewksbury  
Library

To help limit the spread of COVID-19, The Tewksbury Library will be closed until at least April 1. It is a decision that was made in consideration for the safety of the Library staff and members of our community, with the support of our Library Board. All books previously checked out are now due on April 2 or later. All items previously on hold will be held until at least April 2. Late fines will not be charged for any materials. We will continue to monitor the situation and will post information on [tewksburylibrary.org](http://tewksburylibrary.org) and through social media when there are updates. Thank you for your patience and understanding as we work to best serve and protect our patrons and staff. #BeSafeAtHome

## Front Porch Books:

While the physical Tewksbury Library is closed, we are offering a “Front Porch Books” program.

How does this work?

- Using the online system, you can request books that are **physically located at the Tewksbury Library**. Our librarians will pull those books and place them in a bag for you to pick up from in front of the library. Pick up will be available on Tuesday through Thursday from 9 am to 2 pm, starting March 24. Please call or email ahead before you come so we can make sure that your books are bagged and ready to go. If you have a book that is on hold from the county system and **has already been transferred to the Tewksbury Library**, you can also pick that book up from us. If you want to return books, you may do so by placing them in our book drop, however, no fines will be imposed while the library is closed.

How do you know if a book is in the Tewksbury Library?

- If you have a specific book that you are searching for, go to the library’s online system - *hclibrary.us* and search for that book. Then select “Availability” and if the location shows that it is in the Tewksbury Library, you can request it.
- For a more general search, select a search topic (keyword, etc.), then select “open search options” and under “Libraries” select “Tewksbury”. Your search should then only show you titles that are available in our library.
- Don’t have a library card yet? Get one! Submit the online form *hclibrary.us/services/ehcl.htm* to get your temporary barcode. Through April 30, ALL residents of Hunterdon County Library are eligible for these free cards. This will give you access to borrow ebooks and eaudio from Overdrive/Libby and to request books from our library.
