### Tuesdays, Grade K-5, TES with Naturalist David Tompkins Pack Walk

Imagining ourselves to be a family of Grey Timber Wolves, we will take a weekly walk patrolling and getting to know our "territory" (Pascale Park & the grounds of TES) - a hands on exploration of a range of natural history subjects, all the while discussing the basics of outdoor survival, all from the perspective of an extended wolf pack & pups!

### Thursdays, Grade K-5, TES with Yogi Carl Klemme Mindful Play & Movement

This program will be built upon the practices & techniques from Yoga, QiGong, Tai Chi, Dance & Creative Play in Nature.

This after school experience will introduce the children to mindfulness through various types of movement, which will be presented in a playful and inquisitive manner.
